RE: Engineering Services for Hydraulic Membership Analyses for New Members
MECE Project No. 225104

Gentleman,

Myers Engineering, Consulting Engineers, Inc. is pleased to provide our proposal to analyze the Pontotoc County RWD #6 distribution system as new users connect to the network. Myers Engineering, Consulting Engineers, Inc. proposes to perform a Membership Hydraulic Analysis for \$275.00 per applicant. This fee will be paid to Myers by Pontotoc County RWD #6, and not by each applicant.

We look forward to working with you on this project. If you have any questions, please feel free to contact me at 405-755-5325.

Best regards,

William T. Myers, P.E.
President

By my signature below, I represent that I accept the proposal of Myers Engineering, Consulting Engineers, Inc. to perform the scope of services outlined above for the referenced project, and that I am legally authorized to do so.
